The Premises:

As previously reported, a large terraced house in Kensington. Access is directly from the street. A nice area

The Lady:

A gorgeous lady. It's a cliché but Hannah looks even better than her pictures which look pretty good on their own! Trim figure with large breasts and great nipples!

The Story:

Had a great time with Hannah who seems to know just how to put you at ease. Plenty of snogging which I think makes or breaks a punt. No problem in that department though.

Great oral with attention to all the equipment. It's disappointing how many ladies miss out the balls here. Anal play and toys from Hannah on me which I enjoyed. Moved onto oral on Hannah which I enjoyed and Hannah seemed to enjoy as well. Hannah is clean shaven and tastes fantastic.

Sex was great with many positions. We were both pretty shattered at the end although I think Hannah had worked a lot harder than I had! Fished with Hannah bringing me off with her hand. Would have preferred CIM though. Will have to see if that's available next time!

Would I visit Hannah again? I've already booked another visit.
