The Premises:

Private house not far from Xscape. Quite location pay and display parking available near by. Place is clean and tidy, shower offered and clean towels available.

The Lady:

Pictures are accurate on website. Nice looking girl well presented wore a pink fishnet type dress with thong. She is a smoker and had a slight aroma of recent smoke but not a problem.

The Story:

Nice punt. Friendly girl not very talkative but came for a fuck not a chat ! Started with kissing (open mouth not DFK). Then removed her thong and moved to RO. She seemed to like this but does not allow fingers. Has nice tight tasty pussy. Then moved to face sitting but she would never let the tongue go the whole way in just held her self away a bit - shame. Then some nice 69 together and nice OWO. On with the mac and fuck with her on top. She was so tight I just could not hold one and came a bit too early. I am a one trick pony so cant amke seconds these days so finished with a massage.

If your into RO shes not as good as Lara or Summmer so would not visit again but she was a good fuck so recommended
