### The Lady:

Very early 30's. About 5 ft 7 tall, shoulder length blonde hair, elegant face with a warm smile. Nice size boobs (about 34E), great long legs and best til last: a fantastic arse. Bonus: two piercings, one in tongue, one further south.....

### The Story:

This was my first meeting with Roxanne but will definitely not be my last. She was wearing a short but not indecent dress that showed off her fantastic figure, and when she met me at the door I was greeted with a beaming smile and a stream of chat about how I was etc, which I always like when I am meeting a lady for the first time. She does a proper day job and is obviously well educated so conversation is very easy with her (again I like this). This is one girl who any man would be proud to be seen with in any environment.

In the bedroom she is 100% excellent in all departments and takes great pleasure in pleasing a man and greatly enjoys being pleased in return. She keeps great eye contact whilst giving a beautifully sensual owo and her hands are never still, always stroking and caressing which again makes it so much more pleasurable.

Her body is fantastic to the touch and every inch of her smells and looks superb. Yet again, another fabulous girl has been unearthed by agency bella, and I think there's another two or three I haven't seen yet!
