The Lady:

An attractive Lady and the photos on her profile are more or less accurate. Possibly a year or so older than described although she didn't look so.

The Story:

This was my first visit and Laura greeted me with a smile and made me feel most welcome. She obviously knew that I was feeling a bit nervous and was very chatty and made me feel at ease. We discussed the services which were on offer, although I didn't avail myself of all of them. In particular we both enjoyed the oral (without) and she appeared to enjoy my RO on her. In particular her OWO was expertly delivered and, with a little assistance from her hands, I managed to "cross the winning post" in very good time (for me!!). She started off the session by getting me going with a very good massage. We finished the session with a nice kiss and cuddle and an intelligent chat about the riots in London. Not only was the sex enjoyable but also her company. Laura obviously wants to ensure that her clients have a good time; I certainly did. Altogether a good session with a very pleasant Lady who made me (an old guy) very welcome
