The Premises:

Safe area close to Staples in Milton Keynes, clean and lovely flat well decorated.

The Lady:

Hard body gym tone, slim and busty Brazilian. Nice long hair, biggest clit I've seen around.

The Story:

Pressed the bell and was let into the flat. welcomed with a kiss and some drink. I wouldn't go into much details but this lady is worth all the money spent and even more if your schedule permits you. She's willing to please and try new stuff, discreet tattoos and OWO with sex in different positions which was out of this world. I really did enjoy this one on one, having missed catching her in-between at the famous LMP. Very enjoyable time spent with this lady, I can't really go into details but the bed and couch might be in a position to explain better.

Highly recommended, great lady.
