The Premises:

Clean & tidy house in a quiet residential street. Plenty of parking. Very safe.

The Lady:

Slim lady in her early 30's but easily pass for late 20's. Petite but with a bum to die for (not an ounce a fat here). Very chatty & puts you at ease from the off. Kind of girl you would like to keep for yourself.

The Story:

Iv'e been seeing Kelly for quite a while now (says something). Always greets with a kiss at the door. Puts you at ease straight away. She always appears to enjoy herself. If she's faking it she deserves an Oscar. Not much she won't do but some things may be extra. Go find out for yourself guys. You won't be disappointed. I'm certainly haven't been which is why I keep going back.
