The Lady:

Damned attractive Thai lady - I would guess her age being late 20's.

The Story:

We started out with a bath together - boy was this a large bath! She gently bathed me before we moved to the bed for a massage. Although gentle, it was therapeutic and erotic. She knew exactly where to touch me for both! Having paid ?25 for the bath and massage the extras were priced at ?40 for hand, ?60 for oral and ?80 for the full wham bam. I opted for oral and was not disappointed, although I wished I could have elasted longer for this oriental beauty.
