The Story:

Kate was touring to Manchester and I took advantage of her 2 hours for ?200 offer. All arranged very easily, with a couple of e-mails and a phone call.

As it was a longish booking decided to start with a cup of tea and a chat, I didn't get to drink much of it though! Started off kissing on the settee, lot's of nice full on snogging. There then followed a blur of pretty much non-stop action. Kate straddling me, on with a condom, pulling her knickers to one side and slipping it in, then moving onto standing doggy bent over the settee. Eventually moving into the bedroom, for some RO, then more sex, eventually finishing with a BJ. Kate is very noisy, which I love and seems to suffer from a sort of sexual tourettes when close to orgasm.

We then laid there chatting for a while, and then she seemed to be getting interested again. I don't normally bother with a second round, but said I'd have a go and there then followed yet more sex with Kate on top, I didn't manage to cum again, but it was a lot of fun trying.

We then retired to the lounge for another cup tea, a nice end to what had been an excellent session.
