The Premises:

Agency's incall apartment, not the best or most discreet but good enough. Best to use an outcall if you can.

The Lady:

Stunning girl, quite often you find the website photos have been designed to give a flattering false impression, well not here. With Angeline I found quite the opposite. She's short and slim but with ample breasts and the right amount of curves. Dressed with the right balance of elegance and sex appeal. A truly attractive girl.

The Story:

I don't punt often and when I do I often find mixed results. Some poor, some good, and very rarely exceptional. Angeline falls within the later. Right up there with the best.

Right from the start I found her charming, endearing and full of life and personality. She made me feel special right from the off and what follows can only be described as the most perfect and full on GFE.

Angeline definatley enjoys her job and is very good at it. She is lovely and charming girl and worth every penny spent. I will be seeing her again as soon as I can!

Give her a go guys I'm sure she won't let you down, just be sure to treat her with care.

Thank you so much Angeline for an amzing time, see you soon.
