The Story:

Been a while since I last saw Val, noticed she was back in MK for a week, so off I went to Annabellas!

Was shown into a bedroom, and didn't have to wait long for the sexy Slovak to appear, she was looking good, and we wasted no time getting to know each other again, lots of DFK and caressing, Val offered me OWO, very good oral it was too, took her time and lots of saliva.

On with a condom and we started in Cowgirl, with a change to Doggie then Mish, Val was very interactive and was giving encouragement, kept up the tempo for a while, until I could hold back no more and came inside her! Helped to clean up, few minutes rest and a chat and off I went with a big kiss.

We have seen each other quite a bit, so she knows what I like, but even with a new client I'm sure Val would be very versatile, and so would definitely recommend her, she has the model looks, friendly personality, and a good performer.

But Valerie only visits UK every few months so book her when you can guys!
