The Story:

jasmin been personally recommended to me by another punter on here, and after having her in my "Hot List" for ages I finally had a good opportunity to go see her.

I'm very glad I did

Started the session with a massage, felt nice and relaxed.jasmin kisses on the mouth, which was beautiful, but doesn't FK and once we got into the foreplay, there was nowhere my own tongue or fingers couldn't go. She can probably get into any position as I had her on her back no problem at all with her legs against my shoulders which she seemed to thoroughly enjoy. Her body is very responsive as she got very wet during our time together, she?s quite tight as well especially at the start. I kept it going as long as I could, but with a girl as sexy as this one, I come fairly quick.

She is simply the best girl I have ever seen, Enjoyed the TLC, kissing and the over all experience. Would definitely recommend.

she is awesome at giving BJ and appears to enjoy it.

I cannot wait till next time which will be soon
