The Lady:

Second time I've seen Helen (aka Vivien at 007), and she's quite stunningly beautiful, with sparkling dark oriental eyes, full lips, fabulous boobs all on a slim frame, wearing as requested the white dress pictured. Helen remembered me from four months previously, and she was very affectionate to me.

The Story:

Lovely soapy bath with OWO then into the bedroom for some more thorough OWO and 69. Helen has the most gorgeous shaven pussy, and my attention to it paid off. She got so very horny when licked gently, and she completely threw herself at me pleading with me to 'f*ck' her. We started with cowboy during which she might've climaxed, then mish, then prolonged doggy stood up in front of the large mirror. This afforded me a great view of her juicy dark lips being pounded. Back on the bed and a baby-oil wank into her beautiful mouth.

Normally at this point I would consider asking if she had felt the love of our Lord Jesus Christ, but she was busy cleaning us up. The only downside was no DFK which is a particular favourite of mine.

This was a great punt from a truly beautiful girl, who got me so hard I could've used it to pogo back down the six flights of stairs. I used the lift instead. Recommended.
