### The Premises:

Easy to find, not far from town centre.

### The Lady:

Amy is one of the most sexiest women i've ever met. About 5ft tall with long golden brown hair.

### The Story:

Was met at the door by Amy who led me straight in to the bedroom. Money was then sorted out and she left the room. I could hear her outside the door talking and laughing with another woman for a few minutes before returning. She then then gave me a a blowjob for all of 2minutes before climbing on me and riding me cowgirl style. Sadly i felt she rushed the meeting and couldnt wait to get me out.
