The Story:

Teagan told me that it was her first day at this establishment and had worked at Victorias Wellingborough before, so she was still finding her way around the place. I was her first client.

A great GFE, she chatted well, and did as I asked but required instruction i.e. Take your clothes off, move onto sex etc.

Apparently it was ?20 extra for OWO, unfortunately I always have exactly the right money when I go to a parlour, as I never want to lose my wallet at one. I thought the ?60.00 all in meant everything include, so i didnt have the extra ?20, my mistake.

She a very attractive girl, and maybe because of this wasn't able to stop myself cumming early. I felt like a right spanner, but she was cool about it.

Teagan is still very fresh on the scene, and her technique will improve with experience. She needs to learn to read her client through feedbacks, and body language and react to it. She is very, very attractive and worth a punt.
