The Lady:

WOW this girl is drop dead stop you in your tracks stunning felt a bit awkward as I could not stop admiring her. Her hair is very long and glad when i felt it it was all hers none of this fake rubbish girls are sticking in their heads just lately. She smelt like a candy shop and her size 10 figure with legs that go on forever she was dressed as requested in sexy secretary outfit wiith suspenders and basque nice cleavage.

The Story:

I had gone to heaven this girl, she more or less pounced on me sticking her tongue down my throat lots of french kissing I fancied some role play and she was an oscar winning performer. She provided me with the slutty secretary a man could wish for. She blew my mind with her dirty talk about my hard cock I have to admit on this occasion I could not manage the full hour. But she massaged me with oils her long hair ticked my back and she gave me body to body massage which was out of this world I think Im addicted.
