The Story:

If you've followed the chat on the forums you'll know this lady has an almost impossible reputation to live up to, but she surpassed even that. I'm not one for the intimate details, but she can find your sweet spots and give you the time of your life.

She has a wonderful attitude, works hard to please you and still while enjoying it all herself, overran on the time, plus still had time on top of that to chat afterwards. Highly recommended.
