The Premises:

In a cul de sac, semidetached house, upstairs bedroom and not really spa. Single mattress on floor and a few candles around. Decided, not going for one hour after all. Only one staff member present.

The Lady:

About 5ft4, size 10, with muffin tum, breasts maybe 32c, age maybe 26 years.

The Story:

Well said to be a nuru, not really, smelt like cold olive oil. Poor massage technique, i had to work on the seduction side and heck i even had to provide the condom. Actual cost was 45 and 20 pound extra for condom. Only she does the sex side she said. Not really into stimulation, BJ. Did the process, quick shower in bathroom, where shower was not brilliant. Dissapointed, not what was on the tin.
