The Premises:

The modern and clean flat is located about a 5 minute walk from Whitechapel tube station. It is very discreet and has an intercom entry.

The Lady:

Vanessa is a tall, dark haired Polish girl, dress size 10 to 12 with 34DD breasts. She was wearing a black negligee and matching red underwear.

The Story:

When I arrived at the flat I had no idea of Vanessa's stats. When I entered the main door, it was dark and then the first flat door opened and a very tall figure emerged. For a brief moment I thought I'd made a mistake and booked a TV or TS. When I entered the room I realised that was not the case, but Vanessa is so tall, around 1.93 metres. She is very friendly and my anxieties soon dissolved when she performed uncovered oral on me. It soon relaxed me and my attention was drawn to her large breasts which were still covered. She took her red bra off and they were big and natural. I spent a good couple of minutes playing with them while Vanessa was licking and sucking my now stiff erection. I ended the session by wanking and coming over her big boobs.

I'd recommend her if you like tall girls and for the service which I did enjoy.
