The Premises:

It's a flat above The Hogs Head pub in Hornchurch. Access is from the rear of the property which has plenty of parking and is discreet. Feels safe. Flat itself is clean, as I entered I was shown to the kitchen where I was introduced to the girls available that day.

The Lady:

Jessica is from Singapore. About 5'4, long black hair, pretty face, about C cup tits (really nice with little nipples), lovely body and skin. Her pussy is completely waxed and looks like an 18 year olds, I'd guess Jessica is about 26.

The Story:

We exchanged hello's and I explained what I wanted. She asked to see my cock and gave it the once over with a wipe (a good sign the place is respectable).

I then bent her over the bed and pulled her knickers to one side and spread her lips wide to have a good look. I spat twice inside it, which she seemed a bit taken aback by but not annoyed, I was already hard so on went the condom and I offered my cock up to her hole. I took 2 initial thrusts and with the third went balls-deep into her.

I put one leg onto the bed and with the other on the floor started to ram it home. She took it like a bloody trooper and even encouraged me to go harder, didn't object to a thumb up the arse either.

When I was ready to shoot she sat on the bed and took her bra off and wanked me off over her tits. They are lovely.

Ended with a nice massage and I paid an extra ?20 for a rim job, a real deep one too.

Jessica does take it up the arse too so will definitely be returning to give that a go. Highly recommended.
