The Story:

Showered alone on arrival, back in the bedroom Nomi dried me and sat me down on the edge of the bed and began sucking my cock. I lay back and enjoyed this for a while before asking for a condom. After some cowgirl I switched us round to doggy with me standing and her on the bed. Soon I asked for anal, so she handed me the lube and I gently greased her up before pushing my cock in and fucking her nice tight arse. This was awesome, she was pushing back on me as much as I was pushing into her, and I held out as long as I could before coming in her arse.

After she had cleaned us up she gave me a relaxing massage before getting me hard again and gently sucking my cock and balls until I shot my second load in her mouth. Excellent punt, great girl.
