### The Story:

I knew I would driving home past MK on the Sunday and having had a brief view of Millie during a recent visit to Annabellas I booked to see her and I was not disappointed.

I arrived early in order to take a shower and I met Millie on her way into the room as I came out of the shower, By the time I had finished drying myself Millie was bra and knickerless and clad only in a white suspender belt, and we started with some very sensuous standing DFK before Millie got on the bed, and with me still standing took me into her mouth for some very horny licking, sucking and taking me deep into her mouth. I joined Millie on the bed and after a sensuous spell of DFK we then engaged in a prolonged session of mutual oral sex. First with Millie kneeling and straddling my face with my tongue and mouth exploring her lovely pussy while my hands were busy fondling her fabulous boobs. I just love this position and when the girl responds which Millie did becoming nice and wet. I just kept going with both of us enjoying it fully before changing to a 69 with Millie on top. Her oral technique is spot on and we must have something 40 minutes straight off in these two positions. A couple of times Millie knelt back onto my mouth and just let me suck on her clit ? wonderful! We finally stopped for a session of DFK with Millie laying on top of me before I turned her over on her back a licked her pussy, sucked on a nipple and then we DFK while I gently massaged her pussy lips and clit with my fingers before ending up giving her more oral.

Time for a break from oral sex, so on with a condom and an energetic bout of cowgirl. First reverse cowgirl and watching Millie's slim body and with my hands holding her boobs as she leaned back was amazing, but it was even better when she turned around and the sight and feel of her boobs as she moved up and down on my shaft, leaning back then forward and grinding her clit into my groin was worth the fee alone. I decided then, as CIM is not on offer, that those wonderful boobs were

going to get a full cream covering. After this superb cowgirl session, off came the condom and Millie took me her mouth again and I Just lay back, watched and enjoyed the sight and feeling of the treat being given by this sexy girl. Time was getting on now so we changed position with me straddling Millie's chest as she expertly took me to a superb spurting climax over her boobs and neck. It took her by surprise and for me it felt out of this world. Looking down at Millie's smiling face we didn't need to say anything. She couldn't move as she was covered in cum so I got her a handful of wet wipes and we cleaned up.

A great time with a very friendly and very sexy girl and a girl not to be missed.
