The Story:

my second visit to see charlotte and it wont be my last! she entered the room wearing a black silky hold up, black knickers with stockings and high heels and she looked like a super model!! she rememberd me from last time and gave me a soft light kiss, charlotte does not do french kissing, she removed her bra top and i gently licked and sucked her gorgeous nipples, i then gave her body to body massage, kissing her neck as i rubbed my cock all over her bum, charlotte then turned over and gave me great owo, lots of licking and sucking, soon there was lots of pre-come so charlotte put a condom on with her mouth and continued to suck harder, now it was time to bang her or her bang me, which she did national hunt style!! i then toke her in doggy, must say charlotte has a very tight pussy and watching myself slamming her in the tall mirror next to us was just bliss!! soon i was ready to come and charlotte surgested i come all over her tits but not in the face, off with condom and she wanked me until i came all over her!! did not get the time to lick her out like i did on our last encounter but must say she tastes as good as she looks!!
