Tall, and very busty blonde

The Story:

Well it's been a couple of years since I've written a report and, even longer since I posted one for the establishment, but I must admit to having one of the best hours that I can remember. Jenny was attractive, attentive and reactive. Her manner was most gentle, yet passionate and I can see my savings taking a hammering! I believe she's taking a week off, to visit her mum and I'm looking forward to further treats on her return.

She ticks all my boxes, that's for sure.
