The Premises:

Her place is very discreet Flat,in a quiet area, with plenty of free parking. Always feels very safe. Her flat is 'immaculate', well furnished ,I could live there.

The Lady:

Trisha is a Petite , mature lady,young 50's, about 5ft1",size 14. She has lovely big Tits with gorgeous 'stick out' nipples, and clean shaven.short blond hair(usually). She is always very well dressed,'squeaky clean' with a lovely smile,and giggle. Perfect.

The Story:

I met Trisha through Punternet service provider database (Thank you punternet) I have seen her several times now, and will continue to do so. We usually have a chat then get on the bed for a lovely cuddle and kiss. Then we move on for whatever I want, her B J's are excellent,and she loves her Pussy being licked. She has a stud in her Clit. When I am aroused,which doesn't take her long, it's on with the condom, and have a good shag in any position you can imagine (except 'A'. Although mature, her Pussy is amazingly tight. Trisha genuinely enjoys sex, and usually comes several times. Trisha also loves Pissing on a rampant cock, and also loves to see me come all over her tits and body.,and will lick it up. Also she is not a 'clock watcher' rushing you out. By the way, I am in my 70's, but she makes me feel young again, I am so glad I found her,there is only one way to describe her,and that is 'The Best, Fantastic'. Treat her well, she is very special, and don't miss her . Forget the young moneygrabbing girls, and pay her a visit and be amazed.
