The Story:

From the moment I arrived everything with Helena just clicked and felt natural. She greeted me wearing a sexy little black dress and lead me to the bathroom where a bath was ready and waiting. She asked me to get in so I obliged. She then slipped out of her dress and got in the bath with me, rubbing her stunning body all over mine, washing my cock and rubbing it between her tits before rubbing her whole body over it making it rock hard! Now desperate to be inside her she jumped out of the bath, helped dry me up and took me to her bedroom. A perfectly done sensual blowjob followed with just the right amount of licking and sucking, before she slipped my cock into her already soaking wet pussy. She rode me cowgirl, then i turned her over to doggy and finished in mish. We then cuddled and she gave me a massage which left me feeling completely relaxed.

Helena is one of those girls that is hsrds to leave and funds permitting I could of seen myself with her for a lot longer. She is so sexy, good to talk to, funny, and everything she does feels perfect. I now feel lke I have withdraw symptoms from Helena and need to go back! Go and see her but be careful as she may become addictive!
