She is witty, charming,an eloquent conversationalist,and yje longer I know her the naughtier she gets.
No wonder I have fallen totally in lust with her

The Story:

We planned another adventure, one we hadn't tried before, and invited another beautiful young woman to introduce us to Role Play.
I had a soft drink in the bar while they set the scene for our play. But when I entered the room, I saw them both sat in a luxurious warm soapy bath waiting for me to join them.
Oh ! what joy to embrace eachother's soapy, slithery bodies, and to lick and kiss eachother, then they dried and pampered me and literally flung me onto the huge bed where they simply devoured me, and persuaded my little chippolata to quirt a little man juice over them.
Then they dissapeared into the bathroom and qickly returned as two tough cops who immediately arrested me for alledgedly flashing my bare ass in a public picnic spot and also comitting an act of gross indecency in the back of a car.
They told me that unless I confessed my guilt and submitted to their filthy erotic demands, they would lock me in a cell with a huge black homosexual who was eying my ass lasciviously.
Finally after subjecting me to the most extreme molestations (Which I quite enjoyed), they relented and comforted me with lots of tender loving care and for a finale they even persuaded my eager hot dog sausage to perform the almost impossible and produce a second drop of juice to add flavour to our final kisses.
Brooke, you were sensational- no wonder I luv u 2 bitz.
And our companion was rather tasty too.
