Profile Name: Dollymopp...A Real Lover Experience

Website: <http://www.dollymoppsboudoir.com>

The Premises:

The magical Boudoir seems more spacious after recent renovation, and has the added fun of a mirror over, but the wonderful Dolly lights and the welcoming atmosphere were unchanged. I think the bed is wider, which makes for more fun. The area is totally safe, and easy to reach by public transport. The only draw-back must be parking, which isn't easy, is expensive, and, in any case is in the Congestion Zone.

The Lady:

If you like anorexic stick insects, then Dollymopp is not for you! This is NOT a BBW, simply a beautiful woman in her magnificent prime. She is, my dream woman - silky smooth white skin, set off by the black hair, mischevious eyes. Natural, delightfully responsive, all natural breasts.

The Story:

It had been a long time since I'd seen the Dollymopp - she was even more fun than I'd remembered. We sat down, enjoyed a glass of wine, lay back and put the world to rights, and soon, but entirely naturally, I could look up and see in the mirror that we were naked and intertwined. This lady knows exactly how to ring every bell that I have, and does so with that unique Dolly glint in her eyes.

Her service (and price structure) is not aimed at the quarter-hour quickie. (During your tryst) she really is your lover, and takes care to stimulate every part of you - body and soul, particularly remembering that the biggest erogenous organ is the mind.
