The Story:

Oh dear - it quickly became obvious that Mya was only interested in getting rid of me asap with the minimum 'service' possible.

Token back rub (50 secs)

Apply condom to flacid penis

Suck till barely hard (90 secs) - I asked for more and got a grudging extra 45 secs.

Sex in mish with various tricks to limit penetration.

I had lost interest by now so uninspired hand job (20 secs each hand) after which I took over and wanked myself off.

I'd been in the room all of 10 minutes (?45 is advertised as a 30 minute service)

I've had some good experiences in Sheffield (GFE, Peaches) and had high hopes of Pandoras. I won't return until I've seen a load of believable good reports)
