The Premises:

Usual place, safe clean and comfortable

The Lady:

Booked an appointment with Kelly and was then met by a girl that basically wasn't her. after a discussion with the maid decided to go with poppy.

The Story:

a nice girl, but not what i ewcpcted. think that the maid had seen me off. had a really good massage but think that poppy also knew that there was some underhand dealings and was not really approving of the whole thing. disappointing.

Poppy is usually a good girl but the establishment let her down.
