The Premises:

Quiet, discreet apartment not far from the station.

The Lady:

Jade is a very sexy and exotic Brazilian, the phrase 'small but perfectly formed' was made for this girl. She was immaculately presented with tasteful makeup, silky dark hair, expensive lingerie and perfumed, smooth, tanned skin. Such a bootylicious bubble-butt and matching enhanced globes on the front. She was really attractive, has a cheeky glint in her eye and is probably one of the most beautiful faces I've ever kissed.

The Story:

There was some slow, sensual music on the cd player and this became the theme of the punt. She gave me some very delicious kisses, some tongue action, really deep OWO while I stroked and explored her smooth, firm curves and peachy pussy. She squatted on top and bounced around energetically, what a view! Mish and doggy were fantastic too. More OWO was nearly getting me there, then she offered to slip in a finger, this was enough to push me over the edge and she shrieked when the fountain exploded with much force. It took me a minute or two to recover, my legs were still a bit wobbly while I was getting dressed. Jade gave me a bit of a grinding booty dance as a goodbye, she came across as really friendly, warm and caring. Ate confissao, a minha safada!!
