### The Premises:

big downstairs bedroom with nice decor . the building is really easy to find in a quiet,pleasant road just across from the main shopping mall. greeted by an attractive lady who looks after you on arrival.

### The Lady:

Slim ,long legs, blonde,firm great looking boobs,lovely peachy bum, really pretty face and cracking personality-yes definately my kind of lady.

### The Story:

I've met Sally plenty of times,each occasion has been fabulous and on my birthday i treated myself to a 2 girl with her and Suzy,it was the most exciting,erotic wonderful 30 minutes of my life. this was the first time i've managed to see Sally since.

she came into the room and i was dying to get things started as she looked soooo good,classy lingerie and heels and even fitter than i remembered. we got chatting , she is a smart lady as well as being gorgeous so being with her is a privilege. passionate kissing followed by oral which sends shivers up your spine,i got to lick that sweet pussy before getting on top and enjoying fabulous sex with a girl i fantasise about. i managed to change to doggy style before coming loads.

to say i like this beautiful lady is an understatement,can't wait to see her again and won't be able to stay away for long.
