The Lady:

Hanna is a caribbean lady about 5ft 6in in height with a curvy figure and a 36c bust with perky nipples.

The Story:

They were three ladies on Karena an asian lady Megan an auburn haired lady and Hanna a caribbean lady. Chose to see Hanna although I was tempted to see Megan. No shower offered but I didn't need one I stripped off while Hanna stripped down to her underwear. Was offered a massage which I accepted it was very brief but I didn't go for a massage. Hanna then proceeded to wank me which soon had me stiff whilst playing with my nipples. Oral with was offered which I gladly received whilst I stroked her arse, pussy and perky nipples. We had sex in a few positions before a bit of reverse oral before I finished on top. Good service and no rush provided by Hanna with none of the crap dished out like some of the girls there as reported in previous reports. Would definitely go back and see and would like to see Megan
