The Lady:

Saffy is a more mature lady, but dont let that put you off, she looks early to mid thirty. Very fit, good figure just like her photos on the website. She has a good wardrobe and will dress to please, on the day Stockings and the smallest dress you have seen.

The Story:

I am a regular of Saffy and never tire of her, she allways has something differant to offer. Todays session started in her more demanding room, she can be quite evil if that?s what you want (I do). Tied to the cross and received nipple torture and CBT along with OWO and other delights. Near the end of the session I was taken to the bedroom and soon had my tongue deep inside her clean shaven pussy, it tasted heavenly, she then rewarded me by riding me cowgirl fashion until I shot my load, even then she kept going until I was completely shagged out. Saffy is a real gem, and will be returning soon. You do not have to go the dom route, as Saffy is brilliant at the normal massage services.
