### The Premises:

Situated in a very pleasant residential area. Perfectly safe, even at 10 o'clock at night. Parking right outside with no twitching curtains. The apartment itself was spotless.

### The Lady:

Gorgeous, lovely big boobs on a petite frame, and very pretty. A total babe.

### The Story:

Dressed in a short, pink and very close fitting dress. I was offered a shower and refreshments but declined the shower as I'd already had one half an hour before. I'm not going into too many details but after a bit of a chat I was given an extremely relaxing and sensuous massage, followed by very nice hand relief. This lady is a treasure, I'll be back for more the first chance I get.
