The Premises:

Located in a nice part of Paddington, great looking flat where good hygiene standards are practised. Large bathroom and large treatment room - kept at comfortable temperature

The Lady:

Blonde, slim, fairly toned body, firm breasts, soft skin - looks like in her photos.

The Story:

This was my 3rd meeting with Belle, and first time I tried nuru with her. It was quite an upgrade from her normal b2b service - I was allowed to touch her everywhere. She has that eager to please look and genuinely seemed to enjoy herself. She let me rub the nuru gel on her and massage her too.
