The Premises:

My hotel - a nice new one close to Reading. Room was very nice and all very safe.

The Lady:

Absolutely gorgeous. She is 22, slim, sexy, size 6 with perfect B cup breasts. She has shoulder length black hair and a beautiful impish smile. She is tattooed and has some small piercings. I found her extremely sexy and attractive.

The Story:

Angelika has a fabulous personality and along with her good looks made this into a brilliant meeting. She was dressed in a figure hugging black dress, black tights, nice bra and knicks and high heels. We kissed and fondled to begin with, then slowly undressed in front of the mirror. While she was naked except for the heels she dropped to a squat and gave me prolonged, heavenly OWO. I then spent some time with her sat on my face. This progressed to wonderful 69 and mutual masturbation, aided by some very nice edible oils she'd brought. Finally the condom went on and we had sex in mish. She came (I think and hope) while playing with herself while in mish. She then brought me off with her hands on mouth as I straddled her chest.

For me the whole hour, which went way too quickly, was like being with a sex hungry girlfriend - all the action described above was peppered with light and deep french kissing. Angelika was charming and very tactile.

I can't wait to see her again.
