The Lady:

Tall and good looking in early 30s. Silky hair. Very nice boobs. Has put on weight since photos taken.

The Story:

Polite rather than friendly. Once in the bedroom she was very passive and showed no enthusiasm. Unwilling to kiss despite this being advertised (and me being minty fresh!). Oral was more like handjob with a bit of oral. Clock watched and stopped dead on time. Overall nice looking girl, but an unsatisfying experience.
