### The Premises:

A top floor tenement flat north of Shettleston railway station. The flat is clean, with minimalist decor.

### The Lady:

Caryn is a 42y.o. GILF and tart with a heart. She is white, 5'8" to 5'10", slim to medium build with straight shoulder length dark brown/black hair, 5 small tattoos, a pair of C/D cup tits and a neatly trimmed pussy.

### The Story:

The appointment was delayed due to a previous punter breaking the bed frame with his weight with an apology being given by Caryn. Resulting in a Japanese style bed set up in the living room, which did little to spoil the mood. Caryn did everything she could to make me feel relaxed inc belly & crotch rub.

Recieved covered oral, performed oral(+??10) and full penetration [deep stick], choosing to shoot my load inside instead of decorating her tits.

Afterwards given wet wipes to clean up, a quick cuddle and she even checked the coast was clear before I left her flat.
