Lovely smile, pretty , elegant and just as her photos on the web site

### The Story:

Had seen August advertised on other sites, though this agency was running a special this weekend, so I thought I'd treat myself with the reasonable rates... was delighted to find August every bit as good as the reviews before from the other sites.. hot enthusiastic uncovered oral, before I returned the favour and after some massage (recovery time) full on cowgirl... all services appear to be on offer although I didn't partake (perhaps next time).. no rush and lovely person to talk to.
