Nice girl from every point of view. Sexy, friendly, great body, all good here.

The Story:

Started with the usual bath, she washed me and pampered me, only Asian girls do that in such a fantastic way, I particularly liked how she worked on my cock. We moved to the bed and what followed was just amazing. Her massage skills are great and the blow-job she gave me was very good. We had sex, pretty much GFE, mostly in mish, just a quick CG, very good but missionary was incredible, we kissed and made love while I shagged her, this led me to a great orgasm. Very nice girl, made me feel right at home with her, there is no doubt that i will see her again.
