The Premises:

Slightly scruffy entrance, but inside clean. Lot of traffic noise, which was necessary :)

The Lady:

Really delicate and cute facial features. Boyish-type upper body and pert little boobs and lovely bum; very petite all over. Definitely the girl in the photo.

The Story:

Bit of a logistical cock-up to begin with - case of mistaken identity - but sorted it out eventually.

The lady who answered the phone wasn't the one that I met, but that's probably because Sandra's English was so bad that we had a struggle to understand each other. But once we got to it, I had a great time - she's very emotional, with lots of genuine-sounding moans, hair pulling and thrusts. A-levels was accepted but difficult because she's so small, but for a high-energy straight shag that left me breathless, she was ideal. And great VFM.
