The Premises:

Smart new purpose built flat, entrance on major road, clean and smart en-suite room in flat.

The Lady:

In a word, gorgeous, young and slim with very long legs, not an ounce of fat, the cutest cone shaped breasts and a beautiful round bottom. Much prettier than pictures suggest. short blonde hair.

The Story:

After a little french kissing, led me to the bed to start amazing owo. Really seems to enjoy it and never seems to tire, lots of sweet sucking in different styles including plenty of hands free and deep throat.

Wanted to return the favour, so went down for RO on her sweet pussy which she seemed to love and to orgasm, which was very pleasing. Then a little doggy as I wanted to see that beautiful bum in more detail. Very difficult not to cum in the condom, but really wanted another go at that great owo, 5 minutes of which resulted in the best CIM I have ever experienced. A-mazing.
