The Premises:

Nice and cosy flat in the middle of a quiet street so I felt safe. The place is about 3-4 min walking distance from the tube station.

Room was clean and tidy. Was offered to use shower facilities, the bathroom was clean and well equipped.

The Lady:

she is very sexy, tall, tanned brunette. Nice tongue piercing. Dressed as requested.

The Story:

When I walked in Lisa was kindly offered me drink and to use shower facilities.

I requested for a lap dance, and must say that she does one of the best that I ever seen. Then we started some deep french kissing. She put me into bed and perform great OWO. Then I went down on her - she tasted very sweet, and soon got very wet.

Had a couple of positions, and she make me cum twice.

Afterwards there was no rush, and I was able to clean up in the bathroom.
