The Premises:

Fairly nice flat, though lifts were temperamental and I ended up walking up many flights of stairs

The Lady:

Facially better looking than photos. A size 6 with enhanced but very nice boobs. Age about 30

The Story:

I got the impression from previous reports that Min Min was a sex maniac. This is not fully accurate as I just think she is just motivated to offer a great service. So W/S, rimming, A and more were offered to cater for my every whim, but I don't think she was especially in it for own kicks. I was knackered and the Ann Summers blue pill was not working so took ages to get hard, when I eventually came Min Min did this cute sort of victory jig.
