The Lady:

A very attractive young lady in her early 20's. Long blonde hair and curves in all the right places, nice breasts - all natural.

The Story:

I had booked Bianca the day before for a nuru massage. The nuru massage took place in her massage room (she has a special air mattress for this type of massage) and it was the best and most relaxing and sensual massage I have ever experienced. Lots of nuru gel used for the body to body massage (it feels great on the skin and its totally different from a normal oily massage) and mutual foreplay before some amazing oral which led to one of the most intense orgasms I have ever experienced.

I really did feel absolutely relaxed at the end.
