### The Story:

Tried to see her on the Friday but she was away.

Rang her at about 10 in the morning hoping she was available, she was at midday and said if I wanted the full service come to her home gave me the post code and off I went, arrived in the area at about 1130 and took my little blue helper, and found somewhere to park before i rang her at 1145 it was so quiet that I was able to quietly slip on the cock ring as well.

1145 and she rang me and gave me the house number and off I went on arrival the door was opened by my idea of a sexy MILF about 51/2 foot of pure woman dressed in a gypsy style long skirt and flowery top.

Was asked to remove my shoes before descending to the boudoir. a spotless bedroom with a large bed ready for action.

She told me to strip and she would be back in a minute or two, when she came in Little Dave was rising to the occaision even when she was fully clothed she oozes sex appeal.

First thing she did was say hello to Little Dave by giving him a gentle wank and then she started to strip and he caame up to full stand at the sight of her getting naked, as I have said she is 4 years older than her photos and it does show but i keep saying it she is pure sex on legs onto the bed for a firm massage and the told to turn over and it was covered oral and away we went reverse oral on a sweet tasting pussy freshly shaven and she came then it was cow girl til completion. What a sight watching her bouncing on my cock and those tits flying everywhere.

Will i go again of course I will I do like a 1-2-1 sometimes when away from the party scene.

Oh forgot about the money side of things when I was getting naked I put the agreed amount on the bedside table which she must have seen as she made no comment at all. What a lady.
