### The Premises:

Pamelas apartment is situated in a modern block from which the sea can nearly be seen. The area seemed totally safe and parking was easy at this quiet time of year, but may be a problem in the summer. The apartment was easy to find. A bonus is the entrance which is concealed from the road and the lack of nosy nieghbours. The apartment is of a good size especially the bedroom which is en-suite. Everything was neat, very clean and tidy. I felt totally safe and relaxed.

### The Lady:

Pamela is as described on her web site. She is about 5'6" tall slim, has a medium sized bust and was in good physical shape. She says she is 50 years old but looks (and feels) considerably younger, I would say that she could easily pass for 40. She was dressed in a light-weight basque and stockings

### The Story:

I enjoyed every moment with Pamela. I was greeted with her dressed in a light-weight basque and stockings. After getting the paperwork over with I was offered a hot or cold drink. Pamela started with a relaxing massage to ease away any tension then on to mild domination ending in a golden shower (all as requested). After a shower it was on the the bed for some covered oral. This was performed excellently and while not 'deep throat' it was a very pleasing and sensual. I could not hold out for long so Pamela stopped and we kissed for a minute or two before she mounted me rode me to a climax. I could not believe how tight she was, WoW! After she cleaned me up we chatted for a while before I dressed and left.

Pamela does not clock watch. I was there nearer to 45 minutes than 30. Pamela is very hygienic. She insisted on a condom being worn as soon as your underwear is off, a practice I firmly support. I found this a very good punt and will be seeing Pam again very soon.
