The Story:

This report is on Andra as well as VLondon Escorts in general. I have had a few experiences with VLondon, and they are all different. First I met Sienna (a while ago). Photo's were real, very very beautiful lady, but shy and a bit "in a hurry". Although the website says "all included", she charged for extras like oral for her. Worth repeating, but she is not promoted at this time. Later I met Heide. In this case photos are not real, but the real Heide is beautiful, a bit older than photos, relaxed and very nice. No charge for extras. Great. Heide is really in for slow sex ... we spent quite while, no rush. Definitely worth repeating. Then met Andra. Photo's are not real, but she is beautiful. However, she was in a hurry, charged for all extra, not oral anywhere ... out after 30 minutes although booking was 1 hour. But, what was the point of keeping her. After Sienna I entered the VIP club. When booking Heide they would offer the promised discount as it was too far away. Second time they asked for my membership number, that they claim they send in a mail ... but they dont, they say on the website that they use the mobile no as ID. It is a scam.

Altogether, Heide is great. VLondon Service vary a lot. They do show up. They are beautiful. But no always worth the time spent.

Wonder why I have not found one single other independent review of VLondon.
