The Story:

I have read so much about this girl, I really had to go and see her for myself. I was pleasantly surprised. She was what I call a true Indian beauty. Her features are typical Indian, with beautiful big brown eyes and nice full lips, she really is beautiful. Not only is she a good looking girl, she was also great to talk to. Very intelligent and we had a great conversation, which is unusual for me. Usually its in, massage, sex and out so Jada was a breath of fresh air. Sex was just as great. She gave covered oral for a good length of time. Some girls do it for two seconds and then stop and I always feel to embarrassed to ask for more, I really enjoyed the lengthily oral. She then went on to get on top of me and ride me. Her tits are full and round so watching these beauties bounce was a real turn on. I'm delighted I stayed for two hours because an hour wouldn't have been long enough. I highly recommend Jada.
