The Premises:

Area was discreet. Place was pretty standard if you have visited places like this before not bad

The Lady:

Not really a good representation on the website, I would guess photoshop was used a lot on her pictures.

The Story:

Firstly I asked for a water which didn't arrive and having a dry mouth is not nice for either of us! Secondly she had a very strange attitude, she was 5 minutes late and a lot of services which are advertised are simply not on offer. No Kissing at all, no touching of breasts she said it tickled..... OWO was decent and the main event was ok if not a little frantic seemed to want it all over in a matter of minutes which I had to slow her down on 2 occasions otherwise my 20 minute stay could have been 15 mins. Once it was all over she disappeared whilst I got changed and sat thinking what a waste of money! She reappeared and showed me out on exactly 20 mins. My friend who had seen Emmy was outside waiting for me so he was shortchanged on time too his experience was a little better than mine but he nor I will return to the lady or the establishment based on this performance.
